---	------------------------------------

ORDER APPROVING TARIFF, MAPS, AND ISSUING CERTIFICATE

(Issued May 19, 2000)

On October 1, 1998, Alta Municipal Utilities filed an application for issuance of a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (1999), stating its intention to provide resold local exchange service in the Alta exchange area currently served by U S WEST Communications, Inc. Since that time, Alta Municipal Utilities has chosen to operate under the name of Alta Municipal Broadband Communication Utility.

On December 18, 1998, the Utilities Board (Board) issued an order in Docket No. TCU-98-24, granting the application. The application was approved subject to requirements that the applicant submit tariffs to the Board for review and approval and, at the same time, give notice to all affected local exchange service providers.

On March 17, 2000, Alta Municipal Broadband Communication Utility filed a proposed tariff with the Board, along with a service list demonstrating that notice has been given to all affected local exchange service providers. On April 11, 2000, revisions to the proposed tariff were filed. The Board has reviewed the proposed

tariff, as revised, and finds it substantially complies with the Board rules for local exchange service tariffs. The Board will approve the tariff, effective the date of this order.

A map was filed of the proposed service territory. The Board finds that the map filed by the applicant substantially complies with 199 IAC 22.20(3) and shall be approved.

IT IS THEREFORE ORDERED:

1. The tariff filed by Alta Municipal Broadband Communication Utility on March 17, 2000, as revised on April 11, 2000, identified by the Board as Docket No. TF-00-67, is approved, effective on the date of issuance of this order.
2. The map filed in this docket is approved.
3. A certificate, identified as Certificate No. 0213, is issued to Alta Municipal Broadband Communication Utility with this order.
