ORDER GRANTING REQUESTED NAME CHANGE

(Issued August 9, 2000)

On June 19, 2000, a request for a name change from Worldwide Fiber Networks, Inc. (Worldwide), to 360networks (USA) inc. was filed. The Utilities Board (Board) issued an order on October 8, 1999, in Docket No. TCU-99-23, approving the application of Worldwide for a Certificate of Public Convenience and Necessity to provide local exchange service in the state of Iowa, pursuant to Iowa Code § 476.29 (1999).

The Board ordered that upon approval of tariffs to reflect the prices, terms and conditions of local exchange service in Iowa, and upon approval of maps or other documentation to define the service territory where the applicant will serve, a certificate of public convenience and necessity would be issued. These conditions have not yet been met.

The Board will grant the request to change the name of the company to 360networks (USA) inc. and will issue a certificate of public convenience and necessity under the same conditions as stated in its October 18, 1999, order.

IT IS THEREFORE ORDERED:

1. The request filed on June 19, 2000, for a name change from Worldwide Fiber Networks, Inc., to 360networks (USA) inc. will be granted.

2. At the time 360networks (USA) inc., files tariffs with the Board, it must give notice to all affected local exchange carriers. Upon approval of tariffs to reflect the prices, terms, and conditions of local exchange service in Iowa offered by 360networks (USA) inc. maps or other documentation to define the service territory where the applicant will serve, and a statement that a 2-PIC methodology for dialing parity is available for all customers, the Board will issue a certificate of public convenience and necessity allowing it to provide local exchange service in Iowa.
