IN RE: HARLAN MUNICIPAL UTILITY	DOCKET NO. TF-01-22 (TCU-00-43)
--	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued March 21, 2001)

On January 29, 2001, Harlan Municipal Utility (Harlan) filed a proposed tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in the Harlan exchange of Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom). The Board issued an order in Docket No. TCU-00-43 on September 8, 2000, approving the application of Harlan to provide service in the Harlan exchange and approving the concurrence in the exchange map of Iowa Telecom.

In the September 8, 2000, order the Board stated that a certificate would be issued when Harlan has an approved tariff setting forth the terms and conditions for local exchange service. Harlan requests the Board approve the proposed tariff and grant it a certificate to provide service in the Harlan exchange. The proposed tariff has been identified as Docket No. TF-01-22.

The Board will approve the proposed tariff filed by Harlan and will issue a certificate authorizing Harlan to provide local exchange service in the Harlan

exchange. The Board will issue Certificate No. 0232 to Harlan under the provisions of Iowa Code § 476.29(12).

The Board finds that the proposed tariff that is designed to establish the terms and conditions for local exchange service substantially complies with Board rules for the filing and processing of tariff pages.

IT IS THEREFORE ORDERED:

1. The proposed tariff, identified as TF-01-22, filed by Harlan Municipal Utility on January 29, 2001, is approved.
2. Certificate No. 0232 is being issued concurrently with this order. Under the certificate, Harlan Municipal Utility will be allowed to provide local exchange service as shown by its tariffs as currently and subsequently approved.
