IN RE: HUXLEY COMMUNICATIONS COOPERATIVE	DOCKET NOS. TF-01-226 TF-01-245 (TCU-00-63)
	AMENDED CERTIFICATE NO. 0068

AMENDED CERTIFICATE

(Issued September 6, 2001)

On March 23, 2001, the Utilities Board (Board) issued an order approving the application of Huxley Communications Cooperative (Huxley), f/k/a Huxley Cooperative Telephone Company, to offer local exchange service in the exchanges of Cambridge, Slater, and Elkhart, located in the service territory of Iowa Telecommunications Services, Inc, d/b/a Iowa Telecom (Iowa Telecom). The order also approved the concurrence in the exchange maps of Iowa Telecom for those exchanges. The application was identified as Docket No. TCU-00-63.

In the order, the Board stated that it would issue an amended certificate granting Huxley authority to provide local exchange service in the Cambridge, Slater, and Elkhart exchanges once Huxley had approved tariffs showing the terms, conditions, and rates for service in those exchanges. The Board had originally granted Huxley a certificate of convenience and necessity, Certificate No. 0068, to

provide local exchange service on September 29, 1992, and an amended certificate on July 13, 1994, to provide local exchange service in the Huxley and Kelley exchanges.

On July 23, 2001, the Board issued an order and an amended certificate recognizing the change in corporate name of Huxley Cooperative Telephone Company to Huxley Communications Cooperative. On July 30, 2001, Huxley filed proposed tariffs that reflected the new corporate name. Huxley filed revisions to the proposed tariffs on August 1, 2001. The proposed tariffs were identified as Docket No. TF-01-226. On August 8, 2001, Huxley filed proposed tariffs that added the exchanges of Slater and Cambridge to its service territory. These proposed tariffs were identified as Docket No. TF-01-245.

By order issued concurrently with this amended certificate, the Board is approving the proposed tariffs to reflect the new corporate name and the addition of the exchanges of Slater and Cambridge to Huxley's service territory. The Board will issue this Amended Certificate No. 0068 to Huxley to reflect the new service territory and to authorize Huxley to provide service in the service territory as shown in its current tariffs and as those tariffs are modified in the future.
