IN RE: ARRIVAL COMMUNICATIONS, INC.	DOCKET NOS. SPU-01-14 TF-00-141 TF-00-142 (TCU-00-33)
--	--

**ORDER CANCELLING CERTIFICATE
AND APPROVING WITHDRAWAL OF TARIFFS**

(Issued September 24, 2001)

On September 5, 2000, the Utilities Board (Board) issued an order approving the application of Arrival Communications, Inc. (Arrival), to provide local exchange service in Iowa, identified as Docket No. TCU-00-33. The Board's order also approved Arrival's proposed tariffs, identified as Docket Nos. TF-00-141 and TF-00-142, and granted waivers. A certificate of public convenience and necessity, identified as Certificate No. 0221 was issued to Arrival concurrently with the September 5, 2000, order.

On September 14, 2001, Arrival filed a request to surrender or withdraw its existing certificate, Certificate No. 0221, and also to withdraw its tariffs. Arrival stated it has implemented a change in business plans and does not anticipate offering local exchange services in Iowa.

The Board finds that the cancellation of the certificate and the withdrawal of the tariffs are reasonable since Arrival has indicated it has not provided service in

Iowa and does not have any customers that would be impacted. If Arrival decides to provide local exchange telecommunications service in Iowa in the future, it will be required to file another application.

IT IS THEREFORE ORDERED:

1. Arrival Communications, Inc.'s request to cancel its certificate of public convenience and necessity, Certificate No. 0221, filed September 5, 2000, is granted.
2. Arrival Communications, Inc.'s request to withdraw its tariffs, identified as Docket Nos. TF-00-141 and TF-00-142, is granted.
