IN RE: REINBECK MUNICIPAL TELECOMMUNICATIONS UTILITY	DOCKET NOS. TCU-01-5 TF-01-274
--	-----------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued October 5, 2001)

On September 4, 2001, Reinbeck Municipal Telecommunications Utility (Reinbeck) filed a tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service for residential and business customers in the Reinbeck exchange as described in the local exchange maps in the tariffs of Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom). On September 17, 2001, Reinbeck filed an affidavit and service list demonstrating that it provided notice to all affected local exchange carriers. On September 25, 2001, Reinbeck filed revisions to the proposed tariff. The proposed tariff has been identified as Docket No. TF-01-274.

On April 13, 2001, the Board issued an order in Docket No. TCU-01-5, approving Reinbeck's application to provide service in the listed exchanges and approving the concurrence in the exchange maps of Iowa Telecom for those exchanges. In the April 13, 2001, order, the Board stated that a certificate would be issued when Reinbeck obtained an approved tariff setting forth the prices, terms, and

conditions of local exchange service in Iowa. Reinbeck requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The Board will approve the tariff effective the date of this order and issue Reinbeck a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by Reinbeck Municipal Telecommunications Utility on September 4, 2001, as amended on September 25, 2001, is approved effective the date of this order.

2. A Certificate, identified as Certificate No. 0239, is being issued to Reinbeck Municipal Telecommunications Utility concurrent with this order.
