IN RE: IOWA ELECTRIC LIGHT AND POWER COMPANY, n/k/a INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. P-771
---	------------------

ERRATA ORDER

(Issued December 17, 2002)

On January 17, 1989, the Utilities Board issued Pipeline Permit No. 1071 to Iowa Electric Light and Power Company, n/k/a Interstate Power and Light Company, in this docket. The first sentence on page 1 of the permit incorrectly stated the maximum operating pressure as "235" psi, when it should have been "712" psi. The January 17, 1989, permit should be corrected by replacing "235" in the first sentence on page 1 with "712."

IT IS THEREFORE ORDERED:

The first sentence on page 1 of Permit No. 1071, issued January 17, 1989, in Docket No. P-771 to Iowa Electric Light and Power Company, n/k/a Interstate Power and Light Company, is corrected as set forth in this order.
