IN RE: QWEST CORPORATION	DOCKET NO. TF-02-509 (RPU-01-10)
---------------------------------	-------------------------------------

ERRATA ORDER

(Issued December 26, 2002)

On October 30, 2002, the Utilities Board (Board) issued an “Order Docketing Tariff and Establishing Procedural Schedule” in Docket No. TF-02-509. The order erroneously refers to Docket No. RPU-00-1 as the docket under which Qwest Corporation (Qwest) believes it is entitled to seek to offset a revenue decrease realized as a result of deaveraging business rates. Docket No. RPU-00-1 addresses the methodology for deaveraging unbundled network element (UNE) loop prices. The correct docket number that should be referenced in the Board’s October 30, 2002, order is Docket No. RPU-01-10, which addresses the implementation of Qwest’s price plan.

IT IS THEREFORE ORDERED:

With respect to the Board’s “Order Docketing Tariff and Establishing Procedural Schedule,” issued October 30, 2002, the Board’s references to the docket under which Qwest Corporation believes it is entitled to seek to offset a revenue
