ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued December 5, 2003)

On November 3, 2003, American Telco LLP, d/b/a American Telco of Iowa (ATI), filed a proposed local exchange tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the local exchange maps of Qwest Corporation (Qwest). The proposed tariff has been identified as Docket No. TF-03-495.

On October 30, 2003, the Board issued an order in Docket No. TCU-03-14 approving ATI's application to provide service in the listed exchanges and approving concurrence in the Qwest exchange maps. The order stated that a certificate would be issued when ATI obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. ATI requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The tariff contains rates for both business and residential customers. Notice was provided to all affected

carriers. The Board will approve the tariff effective the date of this order and issue ATI a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by American Telco LLP, d/b/a American Telco of Iowa, on November 3, 2003, is approved effective the date of this order.
2. A certificate, identified as Certificate No. 0275, is being issued to American Telco LLP, d/b/a American Telco of Iowa, concurrently with this order.
