IN RE: LTDS CORPORATION	DOCKET NO. IOWA CODE § 476.29(9)
--------------------------------	-------------------------------------

ORDER TERMINATING REPORTING REQUIREMENT

(Issued February 16, 2004)

On January 9, 2002, the Board issued a final decision and order in Docket No. TCU-01-13, wherein the Board required LTDS Corporation (LTDS) to submit quarterly reports to the Board under Docket No. Iowa Code § 476.29(9), which were to include the number of voice customers being served by LTDS, the exchanges in which those voice customers were located, the number of lines currently used by LTDS, the number of data and voice trunks being used in total and by location, a summary of marketing activities, and a description of the progress towards the development of residential service.

The Board's January 9, 2002, order stated that after one year the Board would reassess the filing requirement. In January 2003 the Board reviewed the reports filed by LTDS and determined that while the reports demonstrated reasonable initial growth in voice customers in its service area, it would be useful to extend the filing requirement providing that the extension would be reassessed after one year.

The Board has reviewed the reports filed by LTDS and finds that the reports filed by LTDS are no longer necessary. Therefore, the Board will terminate its requirement that LTDS must file quarterly reports with the Board as initially directed in its January 9, 2002, order. In terminating this reporting requirement, the Board is not making any finding regarding LTDS or its marketing efforts

IT IS THEREFORE ORDERED:

The requirement established by Board order on January 9, 2002, that LTDS Corporation file quarterly reports as described in the body of this order is terminated.
