**ORDER APPROVING SETTLEMENT AND ASSESSING CIVIL PENALTY**

(Issued February 25, 2004)

On August 7, 2003, the Consumer Advocate Division of the Department of Justice (Consumer Advocate) filed with the Utilities Board (Board) a "Petition For Proceeding to Consider Civil Penalty" for alleged slamming violations committed by AT&T Communications of the Midwest, Inc. (AT&T).

In its petition, Consumer Advocate asserted that AT&T switched the complaining customer's long distance service without proper authorization in violation of Iowa's anti-slamming law, Iowa Code § 476.103 (2003).

On February 23, 2004, the parties to this docket, Consumer Advocate and AT&T, submitted a joint motion for approval of a settlement. The settlement agreement addresses all issues in the docket and includes a monetary penalty

against AT&T in the amount of \$500, which is to be paid within 30 days of the date of this order.

The settlement agreement is reasonable in light of the record, is in conformance with all applicable statutes and rules, is in the public interest, and will be approved. 199 IAC 7.2(11).

**IT IS THEREFORE ORDERED:**

1. The "Joint Motion for Approval of Settlement Agreement" filed in this docket on February 23, 2004, is granted and the "Settlement Agreement" is approved.

2. Pursuant to Iowa Code § 476.103 and the "Settlement Agreement" filed February 23, 2004, AT&T Communications of the Midwest, Inc., is assessed a civil penalty in the amount of \$500. Payment is due within 30 days of the date of this order.
