ORDER GRANTING MOTION FOR EXTENSION OF TIME

(Issued February 21, 2005)

On February 11, 2005, Telliss Billing (Telliss) filed with the Utilities Board (Board) a motion for an extension of time to file a response to the petitions for proceeding to consider civil penalty filed by the Consumer Advocate Division of the Department of Justice (Consumer Advocate) on December 28, 2004, and January 6, 2005. In its January 13, 2005, order docketing Consumer Advocate's petitions for formal proceedings, the Board set a deadline of February 11, 2005, for the parties to respond. Telliss asks to extend that deadline to February 25, 2005.

Consumer Advocate indicates in a status report filed with the Board on February 11, 2005, that the parties are in the early stages of discovery and that Consumer Advocate does not object to the Board granting an extension of time. The Board finds the request is reasonable and will grant the motion. However, the parties

are advised that further extensions will be granted only upon a showing of good cause.

One Call Communications, Inc., has already responded to Consumer Advocate's petitions. One Web Direct Bill (One Web) has not filed a response to Consumer Advocate's petitions, nor has it requested an extension of time by which to respond. The Board will allow One Web until February 25, 2005, to file a response to Consumer Advocate's petitions.

IT IS THEREFORE ORDERED:

1. The motion for extension of time filed by Telliss Billing on February 11, 2005, is granted. Telliss Billing is directed to file a response to the petitions filed by Consumer Advocate on December 28, 2004, and January 6, 2005, on or before February 25, 2005.

2. One Web Direct Bill is directed to file a response to the petitions filed by Consumer Advocate on December 28, 2004, and January 6, 2005, on or before February 25, 2005.
