| | CERTIFICATE NO. 0290 |

CERTIFICATE

(Issued March 14, 2005)

On April 1, 2004, the Utilities Board (Board) issued an order in Docket No. TCU-04-4 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to MCC Telephony of Iowa, Inc. (MCC). In the order, the Board stated that MCC would be issued a certificate when it had an approved tariff on file with the Board.

On December 27, 2004, MCC filed a proposed local exchange tariff. The proposed tariff, identified as Docket No. TF-04-537, contains the terms, conditions, and rates for MCC's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since MCC will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0290 authorizing MCC to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes MCC Telephony of Iowa, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
