(Issued May 5, 2005)

On May 3, 2005, Midwest Renewable Energy Projects LLC (MREP) filed with the Utilities Board (Board) a motion to modify the briefing schedule in Docket No. AEP-05-1. MREP asked for an extension of the deadline for initial briefs from May 6 to May 13, 2005, and an extension of the deadline for reply briefs from May 16 to May 23, 2005. MREP said in the motion it had contacted the Consumer Advocate Division of the Department of Justice (Consumer Advocate) and Consumer Advocate has no objection to the extension. Board counsel contacted Interstate Power and Light Company (IPL) and IPL has no objection to the extension. The Board will grant the extension and modify the procedural schedule.

IT IS THEREFORE ORDERED:

1. The "Motion for Modification of Briefing Schedule" filed by Midwest Renewable Energy Projects LLC on May 3, 2005, is granted.
2. The parties may file simultaneous initial briefs on or before May 13, 2005.
3. All parties who filed initial briefs may file reply briefs on or before May 23, 2005.
