ORDER SUSPENDING BRIEFING SCHEDULE

(Issued May 23, 2005)

On May 20, 2005, Interstate Power and Light Company (IPL) filed with the Utilities Board (Board) a motion to modify the briefing schedule and reopen the record in Docket No. AEP-05-1. IPL said that at least one of the parties had concerns related to reopening the record, but that all parties agreed the date for filing reply briefs should be suspended while the parties comment on, and the Board rules on, the motion to reopen the record. The Board will therefore suspend the briefing schedule and will set a new date for filing reply briefs after it has ruled on the motion.

IT IS THEREFORE ORDERED:

The briefing schedule in Docket No. AEP-05-1 is suspended, and a new date for filing reply briefs will be set by subsequent Board order.
