IN RE:  UCN, INC.	DOCKET NOS. TCU-05-1 TF-05-136
	CERTIFICATE NO. 0292

**CERTIFICATE**

(Issued June 6, 2005)

On April 20, 2005, the Utilities Board (Board) issued an order in Docket No. TCU-05-1 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to UCN, Inc. (UCN). In the order, the Board stated that UCN would be issued a certificate when it had an approved tariff on file with the Board.

On April 26, 2005, UCN filed a proposed local exchange tariff. Revisions to the tariff were filed on May 5, 2005. The proposed tariff and its revisions, identified as TF-05-136, contain the terms, conditions, and rates for UCN's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since UCN now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0292 authorizing UCN to provide local exchange service in the listed exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes UCN, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
