**ORDER APPROVING TARIFF AND ISSUING CERTIFICATE**

(Issued June 6, 2005)

On April 26, 2005, UCN, Inc. (UCN), filed a proposed local exchange tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the local exchange maps of Qwest Corporation (Qwest). Revisions to the proposed tariff were filed on May 5, 2005. The proposed tariff and revisions have been identified as TF-05-136.

On April 20, 2005, the Board issued an order in Docket No. TCU-05-1 approving UCN's application to provide service in the listed exchanges and approving concurrence in the Qwest exchange maps. The order stated that a certificate would be issued when UCN obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. UCN requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff, as revised, and finds it substantially complies with Board rules for the filing and processing of tariff pages. The tariff contains rates for both business and residential customers. Notice was provided to all affected carriers. The Board will approve the tariff effective the date of

this order and issue UCN a certificate of public convenience and necessity concurrent with this order.

**IT IS THEREFORE ORDERED:**

1. The tariff filed by UCN, Inc., on April 26, 2005, and its revisions filed on May 5, 2005, are approved effective the date of this order.
2. A certificate, identified as Certificate No. 0292, is being issued to UCN, Inc., concurrently with this order.
