IN RE: GREAT LAKES COMMUNICATION CORP.	DOCKET NOS. TCU-05-6 TF-05-189
	CERTIFICATE NO. 0293

CERTIFICATE

(Issued June 17, 2005)

On May 27, 2005, the Utilities Board (Board) issued an order in Docket No. TCU-05-6 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Great Lakes Communication Corp. (Great Lakes). In the order, the Board stated that Great Lakes would be issued a certificate when it had an approved tariff on file with the Board.

On June 10, 2005, Great Lakes filed a proposed local exchange tariff. The proposed tariff, identified as TF-05-189, contains the terms, conditions, and rates for Great Lakes' local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Great Lakes now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0293 authorizing Great Lakes to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Great Lakes Communication Corp. to furnish local telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
