(Issued July 11, 2005)

On April 21, 2005, Vycera Communications, Inc. (Vycera), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on April 21, 2005, Vycera filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Vycera intended to provide service. **IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2005), authorizes Vycera Communications, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
