**ORDER APPROVING CHANGES TO EXCHANGE BOUNDARY MAPS**

(Issued July 19, 2005)

On June 21, 2005, Qwest Corporation (Qwest) filed with the Utilities Board (Board) a request to change its exchange boundary map for its Arnold Park and Milford, Iowa, exchanges. The filing has been identified as TF-05-198.

Qwest's request proposes to transfer a limited area that is currently located in the Arnolds Park exchange to the Milford exchange. Qwest states that there is growth in the area and that this change would best utilize existing facilities in the area. Qwest states that no customers will be affected by this change and new developments will be served from the Milford exchange.

The Board will approve the proposed changes to the Arnolds Park and Milford, Iowa, exchange boundaries submitted by Qwest pursuant to Iowa Code § 476.29(8). The Board finds that the change is reasonable since the boundary revision was initiated in order to use the network more efficiently and no customers will be affected by the change. Qwest's request merely changes the boundaries of current exchanges covered by Qwest's certificate. Therefore, an amended certificate is not needed.

**IT IS THEREFORE ORDERED:**

1. The request to change the exchange boundary maps for the Arnolds Park and Milford, Iowa, exchanges filed by Qwest Corporation on June 21, 2005, is granted. Revised maps for the Arnolds Park and Milford, Iowa, exchanges shall be filed with the Board within 30 days of the date of this order.

2. The proposed changes, identified as TF-05-198, are approved and become effective upon the issuance of this order.
