IN RE:  VIRGINIA POWER ENERGY MARKETING, INC.	DOCKET NO. CGP-01-13
--	----------------------

**ORDER REVOKING CERTIFICATE IN THIRTY DAYS  
FOR FAILURE TO FILE ANNUAL REPORT**

(Issued September 9, 2005)

In early January of 2005, the Utilities Board (Board) mailed annual report forms to each of the certified natural gas providers in Iowa, pursuant to 199 IAC 23.1(2). The forms were mailed to the companies at the addresses on file with the Board. Responses were due in the Board's office by April 1, 2005. One of the forms was mailed to Virginia Power Energy Marketing, Inc. (Virginia Power), but no response was submitted.

On May 10, 2005, the Board mailed a letter to Virginia Power notifying it of its failure to file the required annual report. The letter constituted written notice of a specific violation of a Board rule pursuant to Iowa Code § 476.51. No response to that letter has been received as of the date of this order.

Based on this information, it appears Virginia Power is no longer providing service in Iowa. Therefore, the Board will cancel the certificate issued to Virginia Power 30 days from the date of this order unless the Board is contacted by Virginia Power and provided with appropriate information indicating the certificate should not

be canceled. The filing should include an annual report showing that Virginia Power had revenues from jurisdictional services in calendar year 2004 or a statement that it did not have such revenues in 2004 but it has reasonable plans to offer services in the near future that are likely to produce such revenues. If Virginia Power makes a timely filing as described above, its certificate will not be canceled and will continue to be in effect until further order of the Board.

**IT IS THEREFORE ORDERED:**

Virginia Power Energy Marketing, Inc., is directed to contact the Board with a completed annual report within 30 days of the date of this order. If the Board does not receive a response within 30 days of the date of this order, the certificate issued by the Board to Virginia Power Energy Marketing, Inc., will be deemed canceled without any further action by the Board.
