IN RE:  GRAND MOUND COMMUNICATIONS COMPANY	DOCKET NOS. TCU-04-12 TF-05-270
	CERTIFICATE NO. 0300

**CERTIFICATE**

(Issued September 30, 2005)

On October 13, 2004, the Utilities Board (Board) issued an order in Docket No. TCU-04-12 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Grand Mound Communications Company (Grand Mound). In the order, the Board stated that Grand Mound would be issued a certificate when it had an approved tariff on file with the Board.

On September 15, 2005, Grand Mound filed a proposed local exchange tariff. The proposed tariff, identified as TF-05-270, contains the terms, conditions, and rates for Grand Mound's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Grand Mound now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0300 authorizing Grand Mound to provide local exchange service in the listed exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Grand Mound Communications Company to furnish local telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
