ORDER REQUESTING UPDATED EXHIBITS

(Issued September 30, 2005)

On September 9, 2005, Aquila, Inc., d/b/a Aquila Networks (Aquila), and the Consumer Advocate Division of the Department of Justice (Consumer Advocate) filed with the Utilities Board (Board) a joint motion for approval of a settlement agreement in this docket. The settlement agreement would establish Aquila's natural gas rate base at \$69,122,678 and the overall rate of return for Aquila's rate base at 8.879 percent. The agreement would establish an annual natural gas revenue increase for Aquila in Iowa of \$2,600,576 and a total revenue requirement of \$162,171,097. The agreed-to increase would be adjusted for rate case expense which would be amortized over a three-year period.

The Board will need updated information based upon the proposed settlement to give the settlement full and complete consideration. The updated information consists of revised versions of the exhibits attached to the direct testimony of Aquila witness Thomas Sullivan. Specifically, the Board is requesting updated versions of Exhibits TJS-7 and TJS-8. The revisions should fully reflect all changes that would result from the settlement. In addition, the Board is requesting electronic versions of

Rebuttal Exhibits TJS-4, TJS-5, TJS-6, and TJS-7 attached to Mr. Sullivan's rebuttal testimony.

IT IS THEREFORE ORDERED:

1. Aquila, Inc., d/b/a Aquila Networks, shall file updated versions of the exhibits described in this order on or before October 7, 2005.
2. Objections to the updated exhibits shall be filed on or before October 13, 2005.
3. Aquila, Inc., d/b/a Aquila Networks, may file a response to any objection on or before October 17, 2005.
