ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued September 30, 2005)

On September 2, 2005, IT Communications, LLC (IT Communications), filed with the Utilities Board (Board) a proposed local exchange tariff providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the local exchange maps of Qwest Corporation (Qwest). Revisions to the proposed tariff were filed on September 7 and September 23, 2005. The proposed tariff and revisions have been identified as Docket No. TF-05-243.

On August 30, 2005, the Board issued an order in Docket No. TCU-05-13 approving IT Communications' application to provide service in the listed exchanges and approving concurrence in the Qwest exchange maps. The order stated that a certificate would be issued when IT Communications obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. IT Communications requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff, as revised, and finds it substantially complies with Board rules for the filing and processing of tariff pages.

The tariff contains rates for both business and residential customers. Notice was provided to all affected carriers. The Board will approve the tariff effective the date of this order and issue IT Communications a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by IT Communications, LLC, on September 2, 2005, and its revisions filed on September 7 and September 23, 2005, are approved effective the date of this order.

2. A certificate, identified as Certificate No. 0299, is being issued to IT Communications, LLC, concurrently with this order.
