**ORDER DOCKETING PETITION FOR ARBITRATION AND
SCHEDULING TELEPHONE CONFERENCE**

(Issued March 29, 2006)

On March 17, 2006, Qwest Corporation (Qwest) filed a petition with the Utilities Board (Board) requesting the Board approve a proposed interconnection agreement between Qwest and the following companies: Communications Specialist, Inc., d/b/a Alpha Wireless Communications Co.; Electronic Engineering Co.; E-Z Call Communications, Inc.; Heartland Communications, Inc.; Lectronics, Inc.; Megacomm Corporation; and West Central Pagers, Inc. (collectively, the

Respondents). The petition was filed pursuant to the provisions of Board rules 199 IAC 38.4(3) and 38.7(3) and § 252(b) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996, Pub. L. No. 101-104, 110 Stat. 56 (1996) (hereinafter referred to as the "Act"). The petition has been identified as Docket No. ARB-06-1.

Paragraph 38.7(3)"f" of the Board's rules requires the Board to docket a petition for arbitration. Paragraph 38.7(3)"c" normally provides 25 days for a non-petitioning party to the negotiation to file a response to the petition. Paragraph 38.7(3)"g" requires the Board to schedule a conference among the parties within 15 days of the Board's receipt of the petition and to hold that conference within 40 days of the filing of the petition. The purpose of the conference is to plan an arbitration hearing date, clarify the issues to be resolved, identify additional information needed to reach a decision on the issues, schedule production of documents and other information, discuss or rule on any other procedural matters, and consider any other matters that will expedite the arbitration process.

In compliance with the procedure established in the Board's rules, the Board is docketing Qwest's petition for arbitration. Because the petition was filed on the last possible day permitted by law, the Board will set an accelerated date for filing an initial answer to the petition and for the telephone conference so as to ensure sufficient time for the Board to consider all of the issues. The purpose of the telephone conference will be to discuss the matters detailed above. The parties are

directed to call the Board's bridge line, 1-866-708-4636, on Thursday, April 6, 2006, at 3 p.m. to participate in the telephone conference.

IT IS THEREFORE ORDERED:

1. The petition for arbitration filed by Qwest Corporation on March 17, 2006, is docketed for consideration by the Board.

2. A telephone conference call is scheduled for 3 p.m. on April 6, 2006. The parties are directed to call the Board's bridge line at 1-866-708-4636 to participate in the telephone conference.

3. An initial response to the petition shall be filed on or before April 7, 2006. The responding parties may supplement their responses within the 25-day response period allowed by 199 IAC 38.7(3)"c," but the initial response should be as complete as possible.
