

Although the Consumer Advocate's complaint filed in this case requested that the Board docket the case to consider a penalty for an alleged slamming or cramming violation, the prior testimony and briefs filed by the parties in this case were focused on events that occurred at the end of June 2005, and the charge against MCI appeared to be limited to an alleged slamming violation. Through additional research by both parties, it now appears that the relevant facts and timeframe of the case have expanded. In its rebuttal testimony and exhibits filed April 20, 2006, the Consumer Advocate presented additional facts and expanded the charges against MCI to include a cramming violation.

Therefore, allowing MCI an opportunity to respond would be fair and would further the goal of obtaining a better understanding of what happened in this case. The Consumer Advocate should also have an additional opportunity to rebut any additional information presented by MCI.

**IT IS THEREFORE ORDERED:**

1. The hearing currently scheduled for Tuesday, May 2, 2006, in this case is cancelled.
2. If MCI chooses to file additional testimony, exhibits, or an additional brief responding to the rebuttal testimony, exhibits, and reply brief filed by the Consumer Advocate on April 20, 2006, it must do so on or before May 15, 2006.
3. If the Consumer Advocate chooses to file additional rebuttal testimony, exhibits, or a brief, it must do so on or before June 5, 2006.

4. A hearing for the presentation of evidence and the cross-examination of witnesses will be held in Board Conference Room 3, 350 Maple Street, Des Moines, Iowa, on Tuesday, June 27, 2006, commencing at 9 a.m. At the discretion of the Consumer Advocate, Consumer Advocate witnesses Mr. Del Steele and Mr. Stephen F. Keesler may be connected to the hearing by telephone conference call.

Witnesses who wish to be connected to the hearing by telephone conference call must access the bridge line by dialing 1-866-708-4636 at the date and time of the hearing. Each party must provide a copy of its prepared testimony and exhibits to the court reporter. Persons with disabilities requiring assistive services or devices to observe or participate should contact the Board at 1-515-281-5256 no later than five business days prior to the hearing to request that appropriate arrangements be made.

5. All provisions of the January 19, 2006, "Procedural Order and Notice of Hearing" issued in this docket not specifically modified by this order remain in effect.
