IN RE: TELECOMMUNICATIONS MARKET MONITORING SURVEY FOR LOCAL VOICE SERVICES IN IOWA	DOCKET NO. NOI-05-3
--	---------------------

ORDER CLOSING DOCKET

(Issued May 1, 2006)

On September 21, 2005, the Utilities Board (Board) initiated an inquiry into Iowa's telecommunications market, identified as Docket No. NOI-05-3. The purpose of the inquiry was to provide a current view of competition for local voice services at the community level in Iowa. As part of the inquiry, the Board sought the collection of data from local telecommunications service providers in Iowa through the use of a telecommunications survey. The Board also requested public comment concerning market monitoring measures other than the survey instrument used by the Board.

The inquiry is now complete and on March 15, 2006, the Board released its report entitled "Second Statewide Telecommunications Competition Survey for Retail Local Voice Services in Iowa." A copy of the report is available on the Board's Web site at www.state.ia.us/iub, or by contacting the Board's Records Center at 515-281-5563. Because the inquiry is completed and the report has been issued, the Board will close this docket.

IT IS THEREFORE ORDERED:

The inquiry identified as Docket No. NOI-05-3 is closed, effective the date of this order.
