statement, stated there has been no withdrawal from the cases by the lawyers of record, stated another law firm had not entered an appearance, and moved "for an order requiring One Call within three days to advise OCA of an appropriate contact person for purposes of further processing of the cases or, in the alternative, to advise OCA and the ALJ how One Call intends to proceed with these cases." The Consumer Advocate requested expedited relief on the motion and stated there are important milestones in the cases in the immediate future, including discovery and procedural deadlines. The Consumer Advocate stated some deadlines would need to be changed due to past delays in discovery and that the Consumer Advocate needed an immediate contact person in order to discuss discovery and scheduling issues. The Consumer Advocate noted that the May 8, 2006, filing date of One Call's statement coincided with the deadline for filing answers or objections to data request numbers 102 through 108 that was set in an order issued April 27, 2006, in Docket Nos. FCU-04-54 through FCU-05-45. The Consumer Advocate stated it had not received responses or objections to the data requests and One Call has not contacted the Consumer Advocate regarding them.

Board rule 199 IAC 7.12 provides that: "Any party may file a written response to a motion no later than 14 days from the date the motion is filed, unless the time period is extended or shortened by the board or presiding officer." The deadline for filing answers or objections to data request numbers 102 through 108 has passed, apparently without response from One Call to the Consumer Advocate. One Call agreed to provide answers to data request numbers 23-25, 45-46, 52-53, and 62-63

to the Consumer Advocate by May 19, 2006, in Docket Nos. FCU-04-54 through
FCU-05-45. One Call's prepared testimony and brief are due May 25, 2006, in
Docket No. FCU-05-74, and are due May 31, 2006, in Docket No. FCU-06-13.
Discovery is scheduled to end in Docket Nos. FCU-04-54 through FCU-05-45 on
June 7, 2006. Therefore, it would not be unreasonable to shorten the timeframe for
One Call's response to the Consumer Advocate's motion.

The "Attorney Statement" does not say that Ms. Tanner and Mr. Stoffregen no
longer represent One Call. Therefore, Board orders in these dockets will continue to
be served on them as the attorneys for One Call.

IT IS THEREFORE ORDERED:

If One Call wishes to file a response to the "Motion for Order Directing
Respondent to Provide Appropriate Contact Person and Request for Expedited
Relief" filed by the Consumer Advocate on May 10, 2006, it must do so on or before
May 19, 2006.
