IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. TF-06-147 (RPU-05-3)
---	------------------------------------

ORDER APPROVING CORRECTION TO COMPLIANCE TARIFF

(Issued June 29, 2006)

On June 15, 2006, the Utilities Board (Board) issued an order approving Interstate Power and Light Company's (IPL) compliance tariff sheets, identified as TF-06-147. The tariff sheets were consistent with the Board's final decision and order issued on April 28, 2006, in Docket No. RPU-05-3.

On June 27, 2006, IPL filed first revised tariff sheet number 26 to correct a typographical error on this tariff sheet, which was part of the compliance filing. The listed rate for the winter off-peak IES-South zone large general service energy charge contained an extra zero. The revenue calculation IPL provided for this energy charge with its original compliance filing was correct; the error occurred when translating the energy charge to the tariff sheet.

The Board will approve the correction. The error is a typographical error and does not impact the revenue calculations upon which compliance tariffs are based.

IT IS THEREFORE ORDERED:

First revised tariff sheet number 26 filed by Interstate Power and Light Company on June 27, 2006, is approved.

UTILITIES BOARD
