ORDER GRANTING EXTENSION OF TIME

(Issued July 25, 2006)

On July 20, 2006, Interstate Power and Light Company (IPL) filed a pleading that, among other things, asked for an extension of time until July 27, 2006, to reply to an objection by the city of Terril (Terril) and a response by the Consumer Advocate Division of the Department of Justice to IPL's motion for assessment of direct costs. In support of the extension, IPL said it recently received data request responses from Terril that it intends to use in IPL's reply.

While the Board's rules do not specifically provide for IPL's reply, the Board generally allows such replies in order to have a complete record. The Board will grant the extension and allow IPL to file a reply on or before July 27, 2006.

IT IS THEREFORE ORDERED:

The request for extension of time filed by Interstate Power and Light Company on July 20, 2006, is granted.
