IN RE: ELIGIBILITY, CERTIFICATION, AND REPORTING REQUIREMENTS FOR ELIGIBLE TELECOMMUNICATIONS CARRIERS [199 IAC 39]	DOCKET NO. RMU-06-1
---	---------------------

ERRATA ORDER

(Issued October 23, 2006)

On October 6, 2006, the Utilities Board (Board) issued an "Order Adopting Amendments and Scheduling Workshops." The order adopted amendments to 199 IAC 39 to establish new eligibility, certification, and reporting requirements for telecommunications carriers seeking designation as eligible telecommunications carriers for purposes of receiving funds from the federal universal service fund. On page 18, the order erroneously refers to new rule 39.7 as the rule containing the required content of the annual universal service certification. The order should have referred to new rule 39.6 as the rule containing the required content. The rules attached to the order were correctly numbered. The Board hereby corrects the incorrect reference.

IT IS THEREFORE ORDERED:

The "Order Adopting Amendments and Scheduling Workshops" issued by the Utilities Board on October 6, 2006, is corrected as described in the body of this order.
