IN RE: AQUILA, INC., d/b/a AQUILA NETWORKS	DOCKET NO. TF-06-269
---	----------------------

ORDER DOCKETING PROPOSED TARIFF FOR FURTHER REVIEW

(Issued October 26, 2006)

On September 29, 2006, Aquila, Inc., d/b/a Aquila Networks (Aquila), filed with the Utilities Board (Board) a proposed natural gas tariff entitled "General Rules, Regulations, Terms and Conditions Applying to Aquila Town Plant and Mainline Customers in the State of Iowa (Volume 4)." The proposed tariff is intended to supersede and replace in its entirety Aquila's current 3rd Revised GT Book natural gas tariff bearing the same title. Aquila states that the proposed tariff is a reformatted version of the current tariff it is replacing and contains no substantive changes to the current tariff. The proposed tariff has been identified as Docket No. TF-06-269.

The Board has determined that the proposed tariff revisions should be docketed for further review. As Aquila indicates, the proposed tariff is a complete revision of the existing tariff and the Board needs time to review all of the changes. No procedural schedule will be established at this time.

IT IS THEREFORE ORDERED:

The proposed tariff, identified as TF-06-269, filed by Aquila, Inc., d/b/a Aquila Networks, on September 29, 2006, is suspended and docketed for further review.
