IN RE: INTERSTATE CABLEVISION COMPANY	DOCKET NOS. TCU-06-7 TF-06-270
	CERTIFICATE NO. 0307

CERTIFICATE

(Issued November 7, 2006)

On October 2, 2006, Interstate Cablevision Company (Interstate) filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on October 2, 2006, Interstate filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Interstate intended to provide service. The proposed tariff has been identified as TF-06-270.

An order approving the application and proposed tariff is being issued concurrently with this certificate. Since Interstate will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0307 authorizing Interstate to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2005), authorizes Interstate Cablevision Company to furnish local

telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
