	CERTIFICATE NO. 0311

CERTIFICATE

(Issued January 25, 2007)

On December 8, 2006, First Communications, LLC (First Communications), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29.

On December 21, 2006, First Communications filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where First Communications intended to provide service. Revisions to the proposed tariff were filed on January 9, 2007. The proposed tariff and revisions have been identified as TF-06-331.

An order approving the application and proposed tariff, with revisions, is being issued concurrently with this certificate. Since First Communications will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0311 authorizing First Communications to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes First Communications, LLC, to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
