	CERTIFICATE NO. 0312

CERTIFICATE

(Issued January 25, 2007)

On November 29, 2006, Kentucky Data Link, Inc. (KDL), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on November 29, 2006, KDL filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where KDL intended to provide service. Revisions to the proposed tariff were filed on December 27, 2006. The proposed tariff and revisions have been identified as TF-06-312.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since KDL will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0312, authorizing KDL to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2003), authorizes Kentucky Data Link, Inc., to furnish local

telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
