	CERTIFICATE NO. 0314

CERTIFICATE

(Issued February 13, 2007)

On November 17, 2006, Gazelle Link, LLC (Gazelle), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on November 17, 2006, Gazelle filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Gazelle intended to provide service. Revisions to the proposed tariff were filed on February 5, 2007. The proposed tariff and revisions have been identified as TF-06-330.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since Gazelle will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0314, authorizing Gazelle to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Gazelle Link, LLC, to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
