ORDER APPROVING SETTLEMENT AGREEMENT

(Issued February 13, 2007)

On February 12, 2007, the parties to this case, Interstate Power and Light Company (IPL), Swiss Valley Farms, Co. (Swiss Valley), and the Consumer Advocate Division of the Department of Justice, filed an amended settlement agreement and joint motion for approval of the settlement agreement with the Utilities Board (Board). No one filed an objection to the settlement agreement.

The settlement agreement provides, among other things, that IPL will impose a penalty on Swiss Valley pursuant to the terms of IPL's electric interruptible tariff and the electric service agreement between IPL and Swiss Valley. The agreement also provides that Swiss Valley will continue as an interruptible customer of IPL.

The settlement agreement is reasonable in light of the whole record, is consistent with applicable law, is in the public interest, and should be approved.

199 IAC 7.18.

IT IS THEREFORE ORDERED:

1. The joint motion for approval of the settlement agreement is granted and the amended settlement agreement filed by the parties on February 12, 2007, is approved.
2. This docket is closed.
