IN RE: MIDAMERICAN ENERGY COMPANY	DOCKET NO. TF-06-262
--	----------------------

ORDER APPROVING COMPLIANCE TARIFF

(Issued March 5, 2007)

On January 25, 2007, the Utilities Board (Board) issued an "Order Approving Tariff With Clarifications" in Docket No. TF-06-262. On February 5, 2007, MidAmerican Energy Company (MidAmerican) filed revised tariff sheets intended to comply with the Board's order. No objections or responses to the revised tariff sheets were filed.

The tariff approved by the Board on January 25, 2007, consolidates MidAmerican's separate zonal tariffs for qualifying cogeneration and small power production facilities under the Public Utility Regulatory Policies Act of 1978 (PURPA) with a design capacity of 100 kW or less. The Board, in its January 25, 2007, order, required tariff clarifications that relate to how the capacity credit provision will function. MidAmerican's revised tariff sheets provide the required clarifications and will be approved.

IT IS THEREFORE ORDERED:

The revisions to tariff filing TF-06-262, filed by MidAmerican Energy Company on February 5, 2007, are approved, effective March 7, 2007, subject to complaint or investigation.
