IN RE: MIDAMERICAN ENERGY COMPANY	DOCKET NO. RFU-06-3
--	---------------------

ORDER ACCEPTING REFUND REPORT

(Issued May 7, 2007)

On December 20, 2006, MidAmerican Energy Company (MidAmerican) filed a refund plan for credits MidAmerican received from Northern Border Pipeline Company (Northern Border) for gas delivered from May 2006 through September 2006. On January 17, 2007, the Board issued an order approving the refund plan and directing MidAmerican to file a refund report within 30 days of completion of the refund. On April 6, 2007, MidAmerican filed the refund report as directed.

The Board will accept the refund report filed by MidAmerican. It appears MidAmerican completed the refund as proposed. The total Northern Border refund was \$112,271 and the Iowa portion of the refund, with interest, was \$88,192. The average amount of refund is estimated to have been about \$0.12 per customer. The calculations and refund amounts appear to be accurate and any discrepancies caused by estimated usage will be accounted for in the annual purchased gas adjustment reconciliation.

IT IS THEREFORE ORDERED:

The refund report filed by MidAmerican Energy Company on April 6, 2007, is accepted.
