IN RE:  ARCADIA TELEPHONE COOPERATIVE	DOCKET NO. TCU-99-3

**ORDER WITHDRAWING APPROVAL OF MODIFICATION**

(Issued May 9, 2007)

On March 22, 1999, the Utilities Board (Board) issued an order granting approval of an application to modify Certificate No. 0012, issued to Arcadia Telephone Cooperative (Arcadia) on September 29, 1992. The March 22 order provided Board approval of Arcadia's request to modify its certificate and allow Arcadia to begin providing competitive local exchange service in the Vail, Iowa, exchange. The order provided that the amended certificate would be issued when Arcadia filed new tariff pages and a new exchange map and the filing was approved by the Board. Arcadia did not file new tariff pages or a new map and the amended certificate has not been issued.

On April 19, 2007, Arcadia submitted a letter to the Board requesting a withdrawal of its approved application for modification. Arcadia states that it no longer has plans to provide competitive local exchange service in the Vail exchange. Again, Arcadia did not file an amended tariff with the Board, nor did Arcadia file

amended exchange maps indicating the addition of the Vail exchange to its service territory.

Based on the information provided in Arcadia's April 19, 2007, notice, the Board will withdraw its approval of Arcadia's application. Arcadia has not established local service in the Vail exchange and there will not be any Iowa customers affected by this withdrawal. Arcadia may file for a new application to amend its certificate if it decides to offer local exchange service to other Iowa exchanges.

**IT IS THEREFORE ORDERED:**

The Board withdraws its approval of the application to modify Certificate No. 0012, filed by Arcadia Telephone Cooperative and identified as Docket No. TCU-99-3, approved by Board order issued March 22, 1999, without prejudice.
