IN RE: INTERSTATE POWER AND LIGHT COMPANY AND ITC MIDWEST LLC	DOCKET NO. SPU-07-11
---	----------------------

**ORDER GRANTING INTERVENTION AND
REQUESTS FOR PERMISSION TO APPEAR**

(Issued May 14, 2007)

On May 3, 2007, the Iowa Consumers Coalition (ICC) filed a petition with the Utilities Board (Board) to intervene in Docket No. SPU-07-11. This docket involves a proposed reorganization in which Interstate Power and Light Company (IPL) seeks to sell and transfer its electric transmission assets to ITC Midwest LLC. No objections to the petition were filed.

In support of its petition to intervene, ICC states it represents three large electric customers of IPL. A listing of ICC's members is contained in the petition to intervene. ICC contends that the proposed reorganization could have a substantial impact on the rates and services received by ICC members.

The Board will grant the petition to intervene. ICC has alleged a unique interest in this proceeding that is not currently represented and its testimony can be expected to assist in the development of a thorough and complete evidentiary record.

Accompanying the petition to intervene filed by ICC were requests for permission to appear filed by James M. Bushee, Daniel E. Frank, and Matthew J.

Binette. All three attorneys are members of the same law firm and are licensed to practice law in other states, but not Iowa. The requests contain the information required by the Iowa Supreme Court pursuant to Iowa Supreme Court rule 31.14, including an appearance of Iowa counsel for service of process. The requests for permission to appear will be granted.

IT IS THEREFORE ORDERED:

1. The petition to intervene filed by the Iowa Consumers Coalition on May 3, 2007, is granted.
2. The requests for permission to appear filed by James M. Bushee, Daniel E. Frank, and Matthew J. Binette are granted.
