IN RE:  ADVANCED INTEGRATED TECHNOLOGIES, INC.	DOCKET NOS. TCU-03-11 TF-07-91
	CERTIFICATE NO. 0316

**CERTIFICATE**

(Issued June 12, 2007)

On October 1, 2003, the Utilities Board (Board) issued an order in Docket No. TCU-03-11 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Advanced Integrated Technologies, Inc. (AIT). In the order, the Board stated that AIT would be issued a certificate when it had an approved tariff on file with the Board.

On April 17, 2007, AIT filed a proposed local exchange tariff. The proposed tariff, identified as TF-07-91, contains the terms, conditions, and rates for AIT's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since AIT now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0316 authorizing AIT to provide local exchange service in Iowa.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Advanced Integrated Technologies, Inc., to furnish local telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
