IN RE: PLYMOUTH ENERGY, LLC	DOCKET NO. P-868
------------------------------------	------------------

ORDER APPROVING MODIFIED LAND RESTORATION PLAN

(Issued July 31, 2007)

On July 12, 2007, the undersigned administrative law judge issued a proposed decision and order granting Plymouth Energy, LLC's (Plymouth Energy) petition for a pipeline permit. Among other things, the order found that the land restoration plan filed with Plymouth Energy's petition complied with applicable requirements.

On July 27, 2007, Plymouth Energy filed an amended land restoration plan. At the request of affected landowners, the plan modifies the handling of topsoil to minimize topsoil disturbance. The modified plan continues to comply with the requirements of Iowa Code § 479.29 and 199 IAC 9.

IT IS THEREFORE ORDERED:

The modified land restoration plan filed by Plymouth Energy, LLC on July 27, 2007, is hereby approved.
