	CERTIFICATE NO. 0319

CERTIFICATE

(Issued October 9, 2007)

On August 14, 2007, Sage Telecom, Inc. (Sage), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on August 14, 2007, Sage filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Sage intended to provide service. Revisions to the proposed tariff were filed on September 11 and September 19, 2007. The proposed tariff and revisions have been identified as TF-07-146.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since Sage will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0319, authorizing Sage to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Sage Telecom, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
