IN RE: 360NETWORKS (USA) INC.	DOCKET NOS. TCU-07-7 TF-07-175
	CERTIFICATE NO. 0320

CERTIFICATE

(Issued November 30, 2007)

On October 8, 2007, 360networks (USA) inc. (360networks) filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on October 8, 2007, 360networks filed a proposed local exchange tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where 360networks intended to provide service. Revisions to the proposed tariff were filed on November 2, 2007. The proposed tariff and revisions have been identified as TF-07-175.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since 360networks will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0320 authorizing 360networks to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2007), authorizes 360networks (USA) inc. to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
