IN RE: IOWA TELECOMMUNICATIONS SERVICES, INC., d/b/a IOWA TELECOM	DOCKET NO. TF-07-204
---	----------------------

ORDER APPROVING CHANGES TO EXCHANGE BOUNDARY MAPS

(Issued December 21, 2007)

On November 27, 2007, Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom), filed with the Utilities Board (Board) a request to change its exchange boundary map for its Attica and Williamson, Iowa, exchanges. The filing has been identified as TF-07-204.

Iowa Telecom proposes to transfer a limited area in the Williamson exchange to the Attica exchange. Iowa Telecom states that one customer has recently requested additional lines and that upon review of the available network facilities, it is more economical to serve this customer from the Attica exchange. Iowa Telecom states that the customer agreed to be served from the Attica exchange and that no other customers would be affected by the proposed transfer.

The Board will approve the proposed changes to the Attica and Williamson, Iowa, exchange boundaries submitted by Iowa Telecom pursuant to Iowa Code § 476.29(8). The Board finds that the change is reasonable since the boundary revision was initiated in order to use the network more efficiently, the affected

customer does not object, and no other customers will be affected by the change. Iowa Telecom's request merely changes the boundaries of current exchanges covered by Iowa Telecom's certificate. Therefore, an amended certificate is not needed.

IT IS THEREFORE ORDERED:

1. The request to change the exchange boundary maps for the Attica and Williamson, Iowa, exchanges filed by Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom, on November 27, 2007, is granted. Revised maps for the Attica and Williamson, Iowa, exchanges shall be filed with the Board within 30 days of the issuance of this order.
2. The proposed changes, identified as TF-07-204, are approved and become effective upon the issuance of this order.
