IN RE: NORLIGHT, INC.	DOCKET NO. TF-07-188 (TCU-07-6)
	CERTIFICATE NO. 0321

CERTIFICATE

(Issued December 26, 2007)

On November 5, 2007, the Utilities Board (Board) issued an order in Docket No. TCU-07-6 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Norlight, Inc. (Norlight). In the order, the Board stated that Norlight would be issued a certificate when it had an approved tariff on file with the Board.

On November 5, 2007, Norlight filed a proposed local exchange tariff. Revisions to the proposed tariff were filed on December 6 and 18, 2007. The proposed tariff and its revisions, identified as TF-07-188, contain the terms, conditions, and rates for Norlight's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Norlight now has an approved tariff to provide local exchange service, the Board will issue Certificate No. 0321 authorizing Norlight to provide local exchange service in Iowa.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Norlight, Inc., to furnish local telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
