ORDER GRANTING EXTENSION AND CLARIFYING ORDER

(Issued January 2, 2008)

On December 21, 2007, the Utilities Board (Board) issued an order requesting additional information from Interstate Power and Light Company (IPL) regarding a proposed settlement agreement filed by IPL and Pioneer Hi-Bred International, Inc. (Pioneer), to resolve an overbilling by IPL at Pioneer's Sheldahl facility. On December 27, 2007, IPL filed a request for an extension of time from January 4, 2008, to January 11, 2008, to provide the additional information. IPL indicates that the personnel who have knowledge about the information requested are not available and the information in some instances may have to be accessed manually. In addition, IPL requested clarification of Item No. 3 in the December 21, 2007, order regarding the date the meter multiplier error was discovered.

The Board will grant the extension as requested. In its response, IPL should indicate whether the information is not available. The Board will clarify Item 3 in the December 21, 2007, order as follows:

3. Provide a description of any testing or inspection procedures that IPL implemented after the discovery of the meter multiplier error at the Pioneer Dysart facility in April 2003.

IT IS THEREFORE ORDERED:

1. Interstate Power and Light Company is granted an extension to respond to the December 21, 2007, order until January 11, 2008.

2. The December 21, 2007, order is clarified as described in this order.
