**ORDER APPROVING COMPLIANCE TARIFFS**

(Issued January 3, 2008)

On November 28, 2007, the Utilities Board (Board) issued an order setting temporary rates in Docket No. RPU-07-3, a water rate case filed by Iowa-American Water Company (Iowa-American). Pursuant to Iowa Code § 476.6(10), temporary rates were effective on November 28, 2007. The order, among other things, required Iowa-American to file compliance tariffs and additional calculations necessary to calculate temporary rate adjustments related to group insurance expense, chemical expense, and labor-related expenses. Iowa-American filed compliance tariffs, identified as TF-07-153, and the required calculations on December 10, 2007. No objections to the tariff or calculations were filed.

The Board will approve the proposed tariffs. The tariffs, with the additional supporting calculations required by the Board, comply with the Board's November 28, 2007, order, and reflect the rates the Board set in that order.

**IT IS THEREFORE ORDERED:**

TF-07-153 is approved, effective November 28, 2007.
