IN RE: SHELL ROCK COMMUNICATIONS, INC.	DOCKET NO. TF-07-212 (SPU-07-21) (TCU-07-8)
	CERTIFICATE NO. 0322

CERTIFICATE

(Issued January 4, 2008)

On December 13, 2007, the Utilities Board (Board) issued an order in Docket No. TCU-07-8 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to Shell Rock Communications, Inc. (Shell Rock Communications). In the order, the Board stated that Shell Rock Communications would be issued a certificate when it had an approved tariff on file with the Board.

On December 11, 2007, Shell Rock Communications filed a proposed local exchange tariff. Revisions to the proposed tariff were filed on December 28, 2007. The proposed tariff and its revisions, identified as TF-07-212, contain the terms, conditions, and rates for Shell Rock Communications' local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Shell Rock Communications now has an approved tariff to provide local exchange service, the Board will issue this Certificate

No. 0322 authorizing Shell Rock Communications to provide local exchange service in Iowa.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes Shell Rock Communications, Inc., to furnish local telephone service in the exchanges shown by its tariffs as currently and subsequently approved.
